

Joyful Noise Choir!

Under the direction of **Sarah Moreton**, Joyful Noise comprises singers of all ages from all over South West Hertfordshire who enjoy sharing their Christian faith through music. The choir has been making plenty of noise since 2000, and over the years its performances have raised thousands of pounds for numerous local and national charities. The choir varies in size and make-up from concert to concert – and new singers are always welcome!

Watford Schools Trust was set up as an inter-denominational Christian charity in 1992 and is in contact with about fifty primary schools in the Watford area. The aim of the charity is to help teachers to provide pupils with a clear understanding of the Christian faith.

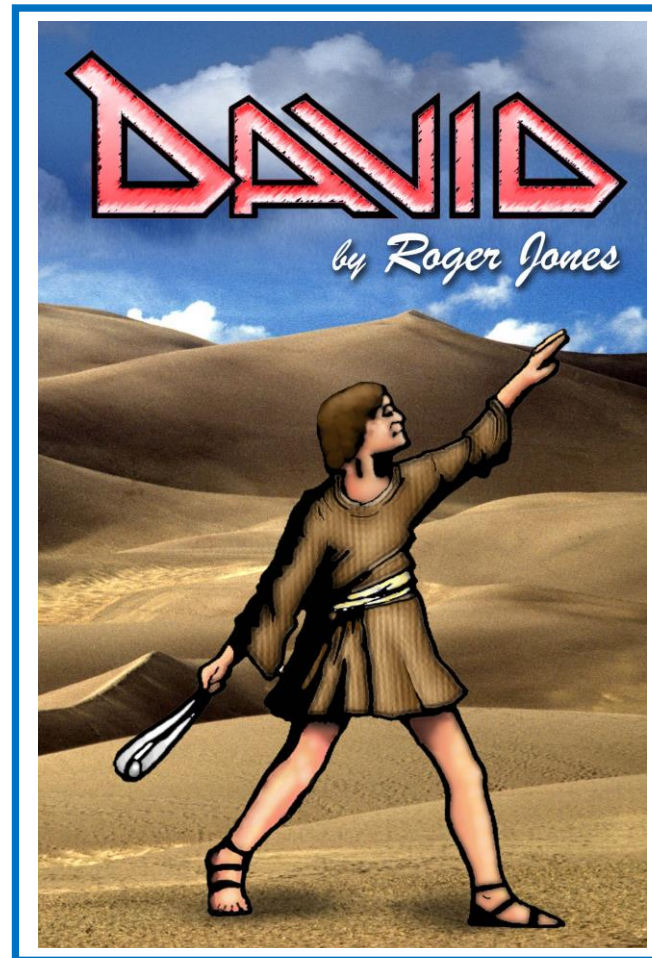

The positive contribution of the Trust has been acknowledged by Hertfordshire R.E. Advisers, as well as by many of the teaching staff and children in the schools visited by the Trusts' Schools Workers.

The Trust currently employs three Schools Workers and an Administrator. Services offered to schools include Religious Education (R.E.) lessons, assemblies and Prayer Spaces. R.E. lessons are designed to help teachers fulfil the requirements of the National Curriculum for R.E. and to comply with requirements set out in the Hertfordshire scheme of work for R.E. The Trust also has a wide range of resources which are available for loan to schools and churches, and lesson resources are available on its website for teachers to use and download.

The Trust relies entirely on donations from churches and individuals to fund its work. All R.E. lessons and assemblies are offered to schools free of charge. There is currently a very high demand for the services of the Trust, and many schools take up offers of lessons on a regular basis. By taking part in David In

A Day you will be helping this highly valued work to continue. Watford Schools Trust is an Associate Trust of Scripture Union. www.watfordschoolstrust.org
