Our March free [SONG OF THE MONTH](#) is *“My song is love unknown”*, is from **WILDFIRE** and the **ROGER JONES HYMN COLLECTION**. I’ve always loved these words, so was especially delighted to set them to a new tune and arrangement, and folk really do say they love it. Here it is sung by Ian Shears and Ann Steer with backing vocals by CMM singers. Please download it, use and enjoy! The music books and CDs are available from our web site, but you can also download the sheet music on Kindle, and the recording are also available on iTunes, Spotify, Amazon, etc.

Do look at our latest [NEWSLETTER](#) for details of 2018 **Music Holiday Weeks**, **SPIRIT WORKS** and **WORSHIP WORKS** days, **CMM Choir** productions, and **other** events in our diary.

One final, but very important matter: There are new **Data Protection** regulations coming into force in May. We really do need to be sure you have given us permission to be on our email/phone database. You are on our list because you opted to be so, either personally, via our website or at one of our events. If this is not so, or you no longer wish to be on our mailings, please reply to this message by putting UNSUBSCRIBE in the subject area or by using another option that your system may provide, or reply quoting UNSUBSCRIBE to office@cmm.org.uk . **We really do not want to lose contact with you, but we must abide by the new regulations.**

Finally, this week we say good bye to **Lindsay Peniston**, who has been covering maternity leave for **Helen Pollard**. Lindsay has been a wonderful team member here at CMM and achieved great things for us, particular in developing our social networking and online presence. We wish her well for the future and thank her for all she has been to us in the last year. We are of course delighted to have Helen returning, and ask you to pray for her and husband James as she adjusts to life back at CMM, together with the added joy of going home each day to the delightful and truly wonderful little Michael!

May Jesus bless you all!

Roger Jones
