Backing Tracks by Tim Jones

A collection of 20 well-known worship songs that speak of the life and work of the Holy Spirit. Tim has designed the arrangements to be used as backing tracks for congregations, schools, small groups and solo voices. Some of the quieter songs could also be used as instrumentals for quiet/prayer times etc. Songs include 'Praise is rising', 'Holy Spirit we welcome you' and 'Jesus be the centre'. **£9.99**

Bible Studies by Roger Jones and Simon N Cooper

Our latest addition to the range of products created to accompany the musical Barnabas. This book contains 8 Bible study sessions for house groups with Bible reflections, questions for discussion, worship ideas, prayers and creative activities. These Bible studies help us to examine in depth the much-overlooked character of Barnabas in order to learn how we too may bless and encourage those around us. **£6.99**

Other news from CMM

The EBRG Trust has now changed its name to **CMM Trust**. If you would like to support the ministry of CMM do ask for a leaflet with more information or look at the CMM Trust section of our website. Huge thanks to all of you who already support the work done by Roger and the team - we are particularly grateful to those who responded to the appeal last October.

We are still on the lookout for associates who are able to volunteer for us. We need both vocalists and instrumentalists. Singers please send a demo of your voice. Instrumentalists should be approximately grade 8 standard and willing to have a go at improvising.
