

Dear friends

December 2017

I'm so encouraged! Over the last two weekends I know of at least four of my Christmas musicals being performed. I was in Ilkley, Yorkshire, doing SIMEON, and I really enjoyed myself - I'd forgotten what it was like! I've also heard of performances of WHILE SHEPHERDS WATCHED and THE INN CROWD. Has anyone done AWAY IN A MANGER? And what about individual items from our collections?

The CMM Choir have been doing a series of STARGAZERS presentations, and there is still one to go this side of Christmas: Sun 10 Dec at Church of the Redeemer Baptist, Edgbaston B16 8UZ at 1830 hrs. Do come if you can!

Looking for Christmas presents? We have musicals, songs, carols, choral pieces, books, house group courses, etc, so please do have a look at the [CMM SITE](#). There are lots of new items, and of course, all our recordings can be bought on CD or downloaded from iTunes, Spotify, Amazon, etc. Please don't forget our latest seasonal release: [SONGS OF CHRISTMAS](#).

Did you know that you can raise funds for CMM whilst purchasing from your usual suppliers, yet it won't cost you a penny extra? Please have a look at [EASY FUNDRAISING](#) and consider supporting CMM in this way.

Our free [SONG OF THE MONTH](#) is "*Come see the beauty of the King*", from WHILE SHEPHERDS WATCHED and the ROGER JONES CHRISTMAS COLLECTION. This is one of my most popular songs, and is used in worship at all times of the year, not just Christmas!

Watch this space! Later this month we'll be sending the Christmas Newsletters from all of us. Poppy is just finishing hers but has writer's cramp in her paw!

Thank you all for your support and encouragement.

*Roger Jones*
