

Delivery Policy

1. Delivery

Our delivery charges are stated on our web-site, and are dependent on the size of your order with Christian Music Ministries.

2. Delivery times

Christian Music Ministries despatch all orders through the postal system, and aim to process the majority of orders within 48 hours of receipt. Delivery should be expected three to five days after that time within the UK. Please allow extra time for overseas and remote area deliveries.

If your order includes more products than fit into one box, the delivery will arrive in separate boxes, possibly on separate days.

3. Tracking your order

You can track the progress of your order by telephoning this office. [.](#)

We try very hard to ensure that you receive your order in pristine condition. If you do not receive all your products, please check whether they may be being delivered separately.
